

Release Notes

Scope

Required for all Sensys Networks customers wanting to use the bug fixes provided in SncLog addon 4.2.1 release.

Bug Fixes

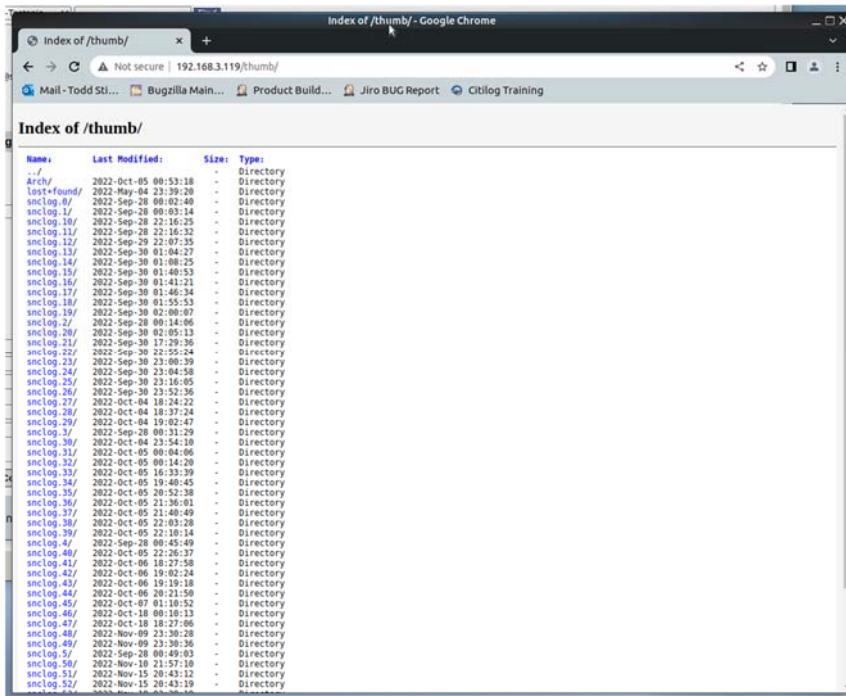

System starting and then killing snclog at boot time [15062]

Snclog not starting properly on some machines.

HTTP navigation to previous data on the /media/thumb/snclog.N/ [15064]

Unable to read thumb drives on windows machines since they are formatted with ext4 Linux filesystem. This can be checked by pointing your browser URL to <http://<ip address of FLEXConnect>/thumb/>

Example use and output per below:
